

Project Management Academy

Mapúa CCESC Grand Academy e-Launch

Mapúa CCESC will soon have the grand e-launching of its three Academies: Project Management, CyberSecurity, and Design for Manufacturing and Assembly. The Academies aim to create a wide-range of career paths in various industries for a number of professionals.

Majority of the courses offered in the Academies will earn trainees Master of Science (MS) degree units giving them the opportunity to pursue advanced studies related to the fields. The earned MS degree units are valid for two years from the date of completion of the short courses.

In establishing the Academies, Mapúa CCESC has worked with its industry partners and pool of professional lecturers to design courses geared towards particular specializations.

You may reserve your slot by registering in the links below. To learn more about the Academies and their course offerings, you may visit ccesc.mapua.edu.ph.
